Aleksandra Kosicka
Content Designer

EXPERIENCE

UX and Content Design Manager · Justpoint

Apr 2025–Apr 2026

- Led a team of product and content designers
- Built a content design practice from the ground up: developed voice and tone guidelines, brand messaging framework, and client communication strategy
- Established and scaled a user research practice, driving two strategic research initiatives as a craft leader
- Designed and shipped an AI-powered content tool that reduced production time by 80%

Lead UX Writer · Dyson

Sep 2023–Apr 2025

- Served as craft and people leader, establishing and scaling Dyson's content design practice
- Defined core content foundations: in-app tone of voice, style guide, and glossaries
- Stakeholder engagement: advocating for content design discipline through education, workshops, and strategic presentations
- Directed information architecture for video section; led UX writing across Beauty and cross-category experiences

UX Writer · Bold

2023

End-to-end UX content design for new experiences

Senior UX Writer · Maze

2022

Dedicated UX Writer to the Design Systems team, shaping language and content patterns at the component and pattern level

UX Writer · LiveChat

Jan 2021–Apr 2022

- Built a content design practice from the ground up: voice and tone, style guide, glossary, and component-level content guidelines
- UX writing across the LiveChat app
- Mentored junior writers producing UX copy across the product suite
- Led lectures and workshops on UX writing, driving practice adoption and scaling the discipline across the company

Product Content Writer & Product Marketer · HCM Deck

Dec 2017–Jul 2020

- Led go-to-market strategy and product launch planning
- Drove product repositioning through strategic messaging framework development and value proposition definition
- Delivered copywriting across all touchpoints: web, blog, social media, in-app, and print media
